ity council was one of the shorts it is Pyramid Pile Cure.

est that body has held for many a the write.

There was but little bustft will give you tastant relief, show ness of importance transacted and you the harmless, painless nature of shortly after nine o'clock the lights this great remedy and stort you were turned out and all was still in the council chamber.

The first matter brought up was the introduction of a petition for paying Girard Avenue with vitrified brick, from Columbia street to Bellefontaine Avenue. The petition was referred to the street and alley ecomittee.

Another petition asked for a andstone sidewailt on the East side of Secanton assume south to lot No. 4312 and this was referred to the proper committee. The same action er telen on a per tion asking that Grand Avenue be paved between Center street and the right-of-way of the Big Four railroad. Brick specified in this petition-

Mr. Carpenter called conneil's ttentien to the fact that while re- well pairing some cable on west Center cure. street, the Central Union Teleon the street paving, melted out the often one hox cures. filler for some little distance and If the druggist tries to sell you eracked the curbing. He moved that something just as good, it is because ciec Board with power to compel tute. the company to make the necessary for.

Mayor Scheiff two more patrolmen and permanent. was adopted. This increases the force from nine to 11 patrolmen.

E. R. Finley, owning a property all the time. on Mt. Vernon evenue was present It is well worth trying. to state that he had refused to pay clains was to have been put in by Building, Marshall, Mich., and re-Finley claims that someone had package in a plain wrapper, told him the tap was not in. City | Thousands have been cured in this Engineer Dwyer's record shows easy, painless and inexpensive way, hat the tan had been not in and charged for by Hoistetter and Daw-

It took Mr. Finley some time o say what he had said to a half lozen different people and what they had said back to him, but finally he agreed to be satisfied if conneil could give him assurance that he was not paying for something he did not get. Mr. Finley coined that \$9.90 to him was just \$9.90 and after council had agreed that \$9.90 amounted to about \$9.90 Mr. Finley left.

The Mayor's monthly report showed a collection of \$123.50 in fines and licenses.

\$100 Reward \$100

The readers of this paper will be that there is at least one dreaded disease that selence has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive oure now known to the medical fraternity. Catarrh being a constl. tutional disease, requires a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting di., rectly upon the blood and mugons, surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assiting nature in doing its work. The proprietors have so much faith In its curative powers that they offor One Hundred Dollars for any ease that it fails to cure. Send for list of testimonials.

FREIGHT AUDITOR FOR GEORGIA CITY

to Attract Capital.

Real Estate and Grounds for Factory Sites.

Columbus, Ga., Feb. 5: A municmal freight anditor is the latest creation of this env in its efforts to attract foreign capital and labor, The naditor, formerly a successful improving redroad conditions in bullabus, He has already secured material reductions in freight rates in shipment from here, and the benoficial results of ans activity be come more and more apparent. Owing to the fact that this is one of the largest cotton manufacturing centers in the south the freight auditor's work is of unusual impor-

The hoard of trade has been es pecially organized to make known, m a business-like way, the attractions of Columbus and the surrounding country both to investors and to labor. Figures showing the growth of the city along industrial lines in the last five years have done much to aid this work.

unique in the board of trade work of Southern municipalities, is that S. Keeler retiring from the business. An another important department of Southern municipalities, is that established to answer the many in- 1-30.tf quivies about Commbus real estate. particularly ground available for factory sites. By co-operating with real estate agents of the city the Board of Trade can supply immediate and accurate ouswers.

struction of new railroads and in-

tion of both Alabama and n this section is rapidly increasing. The efforts put forth by immigra-

settlers to Georgia. In Cohembus alone where the formation of the Columbus Power Co., by a merger of all the other large power companies along the river gave a douded impetus to the industrial growth of the city, there was last year an addition of four new cotton mills, besides extensive improvements to nearly all of those dready here. The Columbus Power Co., will have at its command 75 000 horse power, all of which, it is expected will soon be taken up ow rg to the industments offered nanufacturers by both the city of dumbus and the power company.

ARGE HOUSES IN ATTENDENCE

At Opening Night Shows at Vaudeville Theater.

Earr and Evans in Their Comedy Character Sketch Carry off the honors Monday

The Marion Family Theatre was growded to its full seating capacity at both entertalmments Monday evening and a vaudeville program of excellent merit was produced.

The feature of the bill this week s Act P-Barr and Fvans in a great comedy character sketch. The pair had the audience in a roar of aughter from the time they appeared until they made their exit. The "big weman" is an exceptionally clever vaudezille artist and the act in itself is we'll forth the price of admission.

H. B. Chesley and Co., in their act "The Third Generation" pleased the audience. Charles Bell, a black face monologuist introduced ome very clever jokes. Craine, Long and Craine in a society novelly sketch "All's well that ends well." was a fair act.

Miss Coleman sary the illustrated song "Starlight in her usual pleasing manner. The moving pictures "Kathleen Mayourncen" is an exciting scene of mountain life.

LOCAL FIRE PICTURES AF NICKELODIUM.

In addition to the regular program at the Nickelodium on South Main street this week, Manager In every part of the South the Beaumont will give his patrons the decided industrial awakening, which pictures of the Marion fire departhas come with the general prosper- ment, with runs by the Chicago, ty of the country, is evident. New Lima and Tiffin departments. This setories spring up in mere villages in the first time Mr. Shields has evand soon convert them into towns or allowed any of his films to be and largely as a result of the con-used by anyone other than himself.

One Precinct Still Remains Uncanvassed.

PERCENT

Of Marion's Population Attend Church Once a Month.

Eighty-live Percent of Persons Under the Age of Eighteen Years Attend the Sunday Schools

The religious census undertaken cently by the churches of Marion vas greatly handlespeed by melement weather and one precinct still remains uneanvassed. However, chough has been done to warrant a lew totals and percentages.

It is not to be expected that a volunteer bond of uninstructed visitors could attain accuracy and completeness in the items of record. The season of the year in which the census was taken precluded meetings for the instruction of visitors. With many "not at home" cards

still out the total number of persons included in the record is above Union Adopted Strongly that's all-no security-on your 14,000. Some nomes were missed and many servants and boarders. According to the cards 42 per cent of Marion's population attend church at least once a month. The number in Sunday schools

is 85 per cent of the total number of persons under 18 years of age. The number of church attendants caries in the several precincts, ranging from 5-7 of the total population of the district as in Ward 4. Precinct A, to 1-B in Ward 2. Precinct B and Precinct D of Ward

Comparing the number enrolled in Sunday Secool with the number under 18 years of age the proportion is 4 to 30 ft Ward 3. Preeinet B and I to 3 in Preeinet D of the same ward.

The total number of cards reporting "no preference" was 350. One of the chief purposes of the census taking was to locate the people having church preferences mates." but not having vital connection with the church of their choice. The results attained in this particuof the pasters, if not to all.

spirit of co-operation existing the thet the name the churches of our city. The larger benefits will become apparent as the mustors are able to make use of the "information ! thus gathered for them and which tion that an extension might be they could not have secured each made and adequate quarters providfor himself.
